

# Thanksgiving Thursday

Call, Email, Tweet Reps on Thursday November 17

The NJ Legislature approved \$29.6 million in the 2022-23 budget for Cherry Hill — the first time we received Full Funding in decades. Let's show our representatives how much we appreciate their efforts, and remind them that we depend on their support in the future. Call or email them this Thursday to say thank you for supporting our schools.

*"My name is \_\_\_\_\_ from Cherry Hill and I'm calling to thank you for your support for Cherry Hill Schools. This is the first year we have ever received Full Funding under SFRA and S2. At this time of Thanksgiving, we appreciate your support for our students and teachers. Thanks to increased state funding, we now have full day Kindergarten, a Chinese language program, and additional teachers, nurses, tech staff and athletic coaches."*

*Grateful to @pamlampitt1 for sending full funding to CHPS. New classes for autism support! @chpstweets @chzonepta*

*Thank you @LouGreenwald for fully funding CHPS. Increased aid supports new math and tech teachers! @chpstweets @chzonepta*
